CHOWNS
SPECIALTIES DIVISION

February 1, 2009

CONGRATULATIONS TO OUR SPECIALTIES DIVISION

Chowns Specialties Division has been awarded over 3100ft of high end aluminum railing and fencing by The Quandel Group for the City Island Stadium located in Harrisburg, PA.

Commerce Bank Park is going to be revamping their home for the Minor League Baseball team, the Harrisburg Nationals. Chowns Specialties has been awarded a portion of a \$45million dollar state-of-the-art renovation to Commerce Bank Park. The renovations started on January 19th and is to be completed by opening day 2009. Chowns Specialties Division will be responsible for all of the boardwalk railing. The renovation also includes the addition of the outfitted boardwalk and seating, along with the state of the art scoreboard and picnic areas.

About Chowns Specialties:

Chowns Specialties Division in its current form has been producing outstanding fabrications since 1990. Although the majority of the work has been based in the realm of commercial and institutional construction, the firm has successfully ventured into the area of custom and architectural work. Our highly skilled craftsmen continue to strive to deliver only the finest products.

Chowns Specialties Division is the area's leading metalwork source for stairs, railing, custom fencing and gates, architectural metalwork and bollards. The entire spectrum of metals can be used in the fabrications as well as any of the vast variety of finishes.

Chowns Specialties Division can provide any or all aspects of metalwork from CAD drawings to the finished installed product. Every job, regardless of the size, is handled for the maximum in cost effectiveness, quality and timeliness. Modern equipment, training and a commitment to customer satisfaction will ensure success in your project.
